ACTION MEMORANDUM

OFFICE OF THE DIRECTOR

Action Memorandum No. A-54

Date 22 September 1962

TO : DD/P (C/FE)

SUBJECT :

REFERENCE:

The plan for increased operations against North Vietnam are to be presented to the Special Group next week. It should include the requirement for information on North Vietnam radar, either as an attachment or addenda, to insure both are tied together.

For your information, the Department of State intends to adhere to the policy of no overflights over Laos and to no involvement of Chinese Nationalist Government in operations against North Vietnam if possible.

The Department wants a careful weighing of the risks versus the potential gains.
